DIRECTIONS FOR PRINTING AND FOLDING MINI BOOKS

1. Print out the page for one of the rhymes. Find the word “Name” above the title of the rhyme.
2. Turn the page so that the picture with the word “Name” is the bottom right-hand picture on the page. This will be the cover of the book.
3. Flip the page over. Now the picture with the word “Name” should be face down in the bottom left-hand corner image.
4. With images face down, fold down the top of the page to the bottom of the page.
5. You should be looking at the inside of the book, not the picture with the word “Name.” Now fold from left to right.
6. You should see the picture with the word “Name” which is the cover of the book.
7. Write the child’s name on the line next to the word “Name.” Start with a capital letter and use lowercase letters for the rest of the name. This will help the child learn to recognize their name in print.
8. Have fun reading the book to the child over and over!
